**Explanation of Responses:**

1. 1/48 of the total number of shares subject to the option shall vest and become exercisable each month after the vesting commencement date on the same day as the vesting commencement date, so long as the individual's continuous status as a Service Provider (as defined in the Issuer's 2013 Equity Incentive Plan, or the "Plan") has not terminated prior to each such date. If a Change in Control (as defined in the Plan) occurs, all of the shares underlying this option then invested as of the date of the Change in Control, will vest and become exercisable immediately prior to the consummation of the Change in Control transaction. This option grant was made after review of options that recently expired by their terms.
