**Item 8.01. Other Events.**

On March 24, 2010, VirnetX, Inc., the principal operating subsidiary of VirnetX Holding Corporation (“VirnetX”), entered into an agreement to extend a letter of intent with VeriSign, Inc. (“VeriSign,”) under which VirnetX intends to work with VeriSign to create a technical pilot for providing services that could include VirnetX’s exclusive secure domain name registry and managed connection and relay services along with providing a complete PKI solution for VirnetX’s secure domain name initiative. This falls under the original December 23, 2009, letter of intent objectives to collaborate in the development of mobile directory services and solutions using secure domain names and PKI certificate infrastructure. The strategic relationship contemplated by the letter of intent remains subject to, among other things, the negotiation, execution and delivery of definitive agreements. The letter of intent also provides for a binding exclusivity period until June 4, 2010, during which period the parties have agreed not to solicit or encourage proposals from any other person or entity regarding a strategic relationship, the primary purpose thereof is to assess and evaluate the technical, market and commercial viability to jointly develop and provide the services contemplated by the letter of intent.
